

Pack 404 Raingutter Regatta Rules:

- 1. Use the wood in the box for the boat, it can be made into a single hull boat or modified into a catamaran or trimaran style if desired.**
- 2. Use only the sail material in the box to construct the sail. It can be modified as desired, but no additional or substitute material should be used.**
- 3. Mast use and placement is discretionary.**
- 4. No engine or rubberband propellers allowed.**
- 5. Rudder and keel use are optional. Please note that these may drag on the bottom of the gutter depending on water depth. If you choose to use the rudder and keel, prepare for modifications as necessary on race day.**
- 6. Boys cannot wear knee pads on race day.**
- 7. Decoration of the boat and sail is encouraged. Design awards will be chosen from those not participating in the finals. These include: Fastest looking boat, Most creative boat, Most Cub-built boat, Cub favorite boat.**
